Protective circuit

| Polarity reversal protection |
|------------------------------|
| Short circuit protected      |

| Performance data              |                                    |
|-------------------------------|------------------------------------|
| Supply voltage U <sub>B</sub> | 10 30 V, DC, Incl. residual ripple |
| Residual ripple               | 0 15 %, From U <sub>B</sub>        |
| Open-circuit current          | 0 20 mA                            |
|                               |                                    |

#### Outputs

Number of digital switching outputs 1 Piece(s)

| Switching outputs       |                               |
|-------------------------|-------------------------------|
| Voltage type            | DC                            |
| Switching current, max. | 50 mA                         |
| Switching voltage       | high: ≥(U <sub>B</sub> -2.5V) |
|                         | low: ≤ 2.5 V                  |
|                         |                               |

| Switching output 1  |  |
|---------------------|--|
| Switching element   | Transistor, PNP  |
| Switching principle | Light switching<br>(dark switching by reversing polarity<br>U <sub>B</sub> ) |

#### **Time behavior**

| Switching frequency | 900 Hz  |
|---------------------|---------|
| Response time       | 0.56 ms |
| Readiness delay     | 300 ms  |

#### Connection

| Connection 1         |                      |  |  |
|----------------------|----------------------|--|--|
| Function             | Signal OUT           |  |  |
|                      | Voltage supply       |  |  |
| Type of connection   | Cable with connector |  |  |
| Cable length         | 200 mm               |  |  |
| Sheathing material   | PVC                  |  |  |
| Cable color          | Black                |  |  |
| Number of conductors | 3 -wire              |  |  |
| Wire cross section   | 0.14 mm <sup>2</sup> |  |  |
| Thread size          | M12                  |  |  |
| Туре                 | Male                 |  |  |
| Material             | Plastic              |  |  |
| No. of pins          | 4 -pin               |  |  |
| Encoding             | A-coded              |  |  |

### Mechanical data

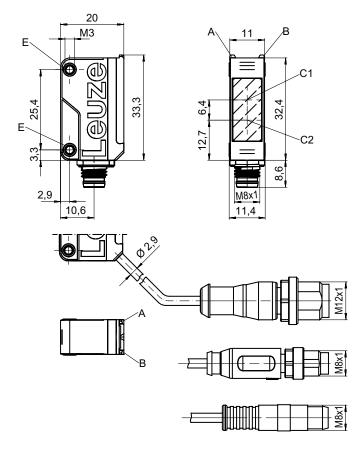

| Dimension (W x H x L)          | 11 mm x 32.4 mm x 20 mm      |
|--------------------------------|------------------------------|
| Housing material               | Plastic                      |
| Plastic housing                | PC-ABS                       |
| Lens cover material            | Plastic                      |
| Net weight                     | 40 g                         |
| Housing color                  | Black                        |
|                                | Red                          |
| Type of fastening              | Two M3 threaded sleeves      |
|                                | Via optional mounting device |
| Compatibility of materials     | ECOLAB                       |
| Operation and display          |                              |
| Type of display                | LED                          |
| Number of LEDs                 | 2 Piece(s)                   |
| Environmental data             |                              |
| Ambient temperature, operation | -40 60 °C                    |
| Ambient temperature, storage   | -40 70 °C                    |
| Certifications                 |                              |
| Degree of protection           | IP 67                        |
| Protection class               | III                          |
| Approvals                      | c UL US                      |

| м.    | A list with all successing the device times are the found on the Laure website at your some   |

|   | Note  |
|---|---|
| 6 | ts A list with all available device types can be found on the Leuze website at www.leuze.com. |

## Notes

| Observe intended use!   |
|---|
| <ul> <li>This product is not a safety sensor and is not intended as personnel protection.</li> <li>The product may only be put into operation by competent persons.</li> <li>Only use the product in accordance with its intended use.</li> </ul> |

# Notes

For UL applications:

♦ Only for use in "class 2" circuits

These proximity switches shall be used with UL Listed Cable assemblies rated 30V, 0.5A min, in the field installation, or equivalent (categories: CYJV/ CYJV7 or PVVA/PVVA7)

## Accessories

# Connection technology - Connection cables
